

The Moonlight Serenade

*"I stand at your gate and I sing you a song in the moonlight
a love song, my darling, a Moonlight Serenade."*

This romantic tune inspired a sweet, luminous theme for our February home. And this sign: Moonlight Serenade in an ivory frame announced the theme for everyone who entered our home.

Print on US letter size paper and cut along the 8x10" trim line.

To see how this theme came to life in our home visit my blog:

Moonlight Serenade - A Romantic Mood for Anytime of Year
